

Kidz Korner

Issue 47

April 2014

St. Michaels on Wyre Sunday School is where the Word of God is taught with affection so that children may seek Him and find Him in their own lives.

Welcome back to Kidz Korner!

Well we are now on the run up to another very important time of the year with Easter being just around the corner. We still have lots to share with you before then though.

As ever we are always keen to welcome new faces, so if you have any friends who you think would like to join us then please do let them know!

Don't forget to check out the Parish website www.sthelens-stmichaels.org.uk! If you look under the 'Children's Work' section you should be able to find some pictures of what we get up to each month!

carefully about it. We then enjoyed making a nice

This month at Sunday School we had great fun. We thought about how Lent encourages us to be reflective. To help us become reflective we talked about the Jelly Bean Prayer.

We had great fun listening to the Jelly Bean Prayer and thinking

craft to take home so we could use the Jelly Bean Prayer again.

The most enjoyable bit of the morning was definitely eating the Jelly Beans!

Happy Easter

See you next time,

Hannah

More Jelly Beans

We also joined in the jelly bean fun! We had a lovely time finger painting and eating jelly beans this month. There was a bit more to it than that though! Using something sweet and tasty to help us pray was

a lot of fun but the colours helped us to think about Easter and remind us what it is all about.

Please share the prayer with friends and family over Easter.

Confirmation News

This month we had a very interesting morning investigating miracles!

We discovered that there are three types of miracles; power over nature, raising to life and healing. All of these require someone to show some pretty impressive powers and complete some acts that would otherwise be thought of as impossible!

We racked our brains really hard to think about what miracles we knew Jesus had performed. Some of them came really easy to us. We knew all about Jesus feeding the five thousand, healing the lepers and coming back from the dead. We also couldn't believe some of the ones we had forgotten like Jesus turning water

into wine! How many biblical miracles can you think of?

While it might be quite hard for us to perform miracles ourselves we did think about how else we could help people. Even something as simple as making someone smile could be a great help.

Mr. Wilkinson was very impressed to hear what we had been talking about this morning. He even mentioned the tricks that magicians like Dynamo do. We all agree with him though that the miracles Jesus performed were much more impressive than any magic trick by a magician.

Teen Time

Its lovely to see more of our teenagers coming to join us on a Sunday morning. With one project completed we have now started another one. Our completed project will be in Church for Easter so please come along on Easter Monday when the Church is open. Teas and coffee and cake will be on sale from 10am.

The next time we will be together will be in May because on April 20th we will be at Church helping with the Easter Egg Hunt!

Confirmation Camp

Details have now been published about this year's Youth Weekend/Confirmation Camp. This year the event will be held at Hothersall Lodge, Longridge. The dates for the camp are the 9th May until the 11th May.

The theme for this year's camp is "Live Strong!" with a focus on overcoming the challenges life faces us with. Camp does promise to be just as much fun as previous years!

The camp will once again be lead by Bishop Geoff, the Blackburn Diocese Team and volunteers.

There will be worship sessions, crazy games, outdoor activities (including climbing, mountain biking, canoeing) and many more fun activities. Just ask anyone who has been before and they will be sure to tell you how much fun it is!

The Youth Weekend/Confirmation Camp is available to all of our confirmation candidates and for members of the Teen Group.

If you are interested in going then please contact Karen Ball (01995 679297) for further details. Karen will be going to the camp as usual and is already looking forward to it! We hope some of you can join her!

It will be really nice to see lots of our children enjoying this wonderful experience. Hopefully this year we will be joined by some of the Confirmation Candidates from St. Helens as well!
