

Kidz Korner

Issue 49

June 2014

St. Michaels on Wyre Sunday School is where the Word of God is taught with affection so that children may seek Him and find Him in their own lives.

Welcome back to Kidz Korner!

This month the children explored The Ascension whilst the Confirmation candidates looked at Prayer. All seemed to enjoy their explorations and were keen to share their work in Church.

The leaders have been busy exploring new ways to communicate with parents to keep everybody up-to-date! **So, if you are a fellow Facebooker, please like our page by searching for 'St. Michaels on-Wyre Church'.**

Sunday School

This month we all entered school in good spirits and I am pleased to report that we had singing and dancing whilst we worked!

We shared the story of The Ascension and thought about how the disciples may have felt. Some of the older children thought about what teachings of Jesus they would like to pass on to other people. We

thought of LOADS and soon came to realise that He has taught us far more than we actually realise.

We all had great fun making some excellent collages of how we thought The Ascension would look. These look fabulous and I encourage you all to take a peek at

these (they are on the board in Church). Or, if you like the Church's Facebook page you can see the pictures on there too.

Unfortunately I will not be there next month but I hope you all have a wonderful morning together.

Miss you already,
Hannah.

Toddler Time

Unfortunately we didn't have the pleasure of being joined by any toddlers this month. So if you know of anybody with a child under school age

please encourage them to come along on the third Sunday of the Month.

Alternatively, encourage them to like our Facebook page 'St.

Michaels on-Wyre Church' so they can see what we are all about.

Hannah and Lis.

Confirmation Camp

Gosh camp comes around quick! Last year we basked in sunshine and this year we basked in rain and mud! Jemima, Alicia, Liam and George threw themselves, literally, at all the activities. Along with mountain biking, canoeing, swimming and zip wires we explored the 'Armour of God'. The theme was to help the young people prepare for confirmation and to reinforce the beliefs of those already confirmed. We all did a lot of learning, but it was so much fun that we hardly noticed.!

Once again the food was hot and tasty and no one was hungry. We had a wonderful campfire with songs and games (in the rain) and I think we all ran out of dry clothes at one point.

The Eucharist on Sunday afternoon was lead by Bishop Geoff but the children had written prayers and organised the readings it was a lovely end to a fabulous weekend. It was a pleasure to be with our young people who are a credit to their parents; their manners are impeccable and they are game for anything!

As yet we have no date for next year but I have my name down and hope more of our young people will take up this wonderful opportunity to share their faith and have a wonderful weekend filled with God's love.

Children's Work Overseas

This month I had the pleasure of meeting with visitors from Germany who are all training to be Readers in their churches. I was asked to speak to them about the Children's Work and Messy Church that we do here in St. Michaels. We had lots of fun playing with the puppets, the knitted Noah's Ark and Last Supper and exploring how to make the Bible come alive.

They obviously really enjoyed themselves as they have invited me to visit them in Germany. **Karen**

Teen Time

This month we had an incredibly lively Sunday School Session. I would like to take this opportunity to thank the Teens for all their hard work with the Sunday School Group. Your help and patience is invaluable!

Next month we are hoping to have another look at the banners you have started to create. We may even get the fabric out!

See you soon,
Hannah.

Next Month...
