

Kidz Korner

Issue 51

October 2014

St. Michaels on Wyre Sunday School is where the Word of God is taught with affection so that children may seek Him and find Him in their own lives.

Welcome back to Kidz Korner!

Well, after a lovely summer it was lovely to welcome so many children back to Sunday School. We welcomed Toddlers, Teens and the new confirmation candidates plus the Sunday School group. The children were eager to get started on the topics and crafts we have planned for this year. All the children's work can be seen on the boards in Church and on Facebook.

Jen

Sunday School

The children were once again full of enthusiasm to get started on the craft activity we had planned. To fit in with the Harvest season we explored the Fruits of the Spirit. It was hard work to get our brains

working after the summer break but we did manage to name some of the fruits before we looked the rest up. We had lots of fun painting the fruit and sticking them on our very special tree. It isn't very often

you see a tree which grows apples, strawberries, bananas and grapes all on one branch!

With God in our lives anything is possible though!

Over the next few many churches will be celebrating their Harvest Festival and we should all make time to thank God for his wonderful creation and for all that he provides us with.

Hannah

Toddler Time

It was lovely to welcome some new toddlers this month with their parents. We have some lovely crafts

and stories planned for the toddlers over the coming months so we hope more come along and join in the fun.

Karen

ATTENTION PARENTS: Facebook

Over the past couple of months we have been looking at different ways to keep everybody up-to-date with children's work and Church related events within the Parish.

We have decided to open up a Facebook page. This will be used to share information about events, share work that the children have created and to share some different activities with you to have a go at as a family!

We hope you support this new venture as I am sure you will all find it helpful! So please 'Like' our page. Search for 'St. Michael's on-Wyre Church' on Facebook and press like to stay updated!

If you have any queries about this new venture please speak to Jennifer or Hannah as they will be pleased to answer any questions!

We are also hosting 'Facebook Training for Parents' to give you some helpful advice on how to use Facebook and how to support your children who may use it. We will show you all the security settings and give advice on safe use of social media sites.

Please give us a call if you would like to take up this offer on 01995 679297

See you all soon,
Jen & Hannah.

Confirmation

This month we had our welcome breakfast for the candidates and parents. We welcomed 8 of our young people and their parents who are going to spend the next few months preparing for confirmation. We have a new confirmation programme to follow and lots of topics will be covered between now and being confirmed. We hope our young people enjoy their journey towards confirmation and have fun with the new activities we have planned. Karen

Teen Time

It was lovely to welcome back our teen group. They had such enthusiasm to explore the Fruits of the Spirit using buttons!

They made a fabulous tree out of buttons and it can be seen in Church or on Facebook.

We have many more challenges lined up for our teens and hope to see you all next month.

Jen

Next Month...

- * **Sunday 5th October Family and All Age Worship** at 9.15am in Church.
- * **Sunday 19th October is Sunday School, Toddler Time, Confirmation and Teen Time** at 9.00 in School.
