

Kidz Korner

Issue 55

March 2015

St. Michaels on Wyre Sunday School is where the Word of God is taught with affection so that children may seek Him and find Him in their own lives.

We are now enjoying the build up to Easter and have a fun packed Easter session all planned and ready for you so please come and join us!

We have now entered Lent which should be a time of reflection for us all as we remember Jesus' journey through the wilderness.

What have you decided to do without for Lent this year? I can't wait to hear how you are all doing with your dedications.

We had an amazingly creative month in Sunday School. We focused solely on making different types of crosses. Our topic was exploring Jesus' journey to the cross and its importance.

We invited the teens to join us and rolled our sleeves up for some messy fun. We painted, glued, sprinkled and coloured! There was not a clean hand in the room by the time we were finished.

Sunday School

We discussed, with all the wonderful helpers, the symbolism behind the cross and our understanding as we worked.

A wonderful time was had by all and we look forward to inviting more of you to join us in Sunday School in the coming months!

Remember: Sunday School is on the fourth Sunday of the month next month!

We used these colours to help us remember what Jesus has done for us.

Red is for the blood he gave,

Green is for the grass he made.

Orange is for the edge of night,

Yellow is for the sun so bright.

Black is for the sins we made,

White is for the grace he gave.

Purple is for our hour of sorrow,

Pink is for our new tomorrow.

Toddler Time

This month we had 11 toddlers with their parents and grandparents. We hope they had lots of fun and will come back again next month. The toddler sessions run from 9.00 am in school and provide opportunities for par-

ents/grandparents/carers to meet and chat whilst their little ones enjoy the craft activities. Everyone enjoys a story and then we join the main congregation at 10 am in Church. Please come and join in the fun!

Confirmation News

We are now half way through our journey of confirmation and this month we explored the topic of prayer.

We often find it hard to pray but we just need to remember it is just a conversation. The only difference being it is a conversation with God and we may not get the answer we would want or like!

We discovered the number one prayer in the world is 'HELP'. Most people pray when there is nothing else left and they are often desperate.

We need to remember that God is there all the time not just for the bad times but for the good times too. It doesn't matter where you are or what time it is, it is always the right time to pray. God will listen whatever time of day or night it is.
