*St. Michaels on Wyre Sunday School is where the Word of God is taught with affection so that children may seek Him and find Him in their own lives.*

Welcome back!

We've been very busy over the past few months learning all about Easter. We've done lots of crafts and had a lot of interesting discussions! We also all really enjoyed the Easter Egg hunt - though we think we missed a few!

As usual all the children's work can be seen on the boards in Church and on the St. Michaels on-Wyre Church Facebook page and website.

As part of the initiative from Blackburn Diocese this month the children spent time thinking about what they would like to ask God. These thoughts were then put into letters to be sent off to Blackburn Diocese to celebrate the opening of the new Resource Hub.

The children came up with some really interesting questions for God about the things that

are important to them. These were really profound questions that were not only relevant to them but to our wider communities and the world.

As Sunday School leaders we felt privileged to be able to read these letters and share in some of the discussions that took place. We wondered just how honest we could be if we were to do a sim-

ilar task.

As well as writing letters the children also drew pictures to go with them. The pictures were to show what they thought God looks like.

This month we have lots of exciting things planned, hopefully we will be making something really exciting again and have some beautiful work to put on the boards in Church.

## Toddler Time

Things have been getting very musical in the Toddler's over the past couple of months! Hopefully, before long, we will share our talent with you in Church.

As well as singing we have also been having lots of fun learning

more about Jesus and how he loves us and wants us to be a part of his family. We really enjoy our sessions and love making all our crafts.

This month a little bird has told us that Lis won't be here so we will be having Karen for the session. She is

really looking forward to it - things could get messy so don't wear your best dress!

If you know any friends that you think would like to join us then please invite them along!

## Confirmation News

We are now looking at our final few topics before our Confirmation Service in July. Things are getting a little more serious and we are really having to think about things now. This month we explored the Holy Spirit and the gifts given to us by the Holy Spirit. We also talked about the different symbols that are used to represent the Holy Spirit and read the story of the coming of the Holy Spirit from the Bible.

When Karen first told us we were going to be looking at the Holy Spirit we weren't quite sure what we had in store. However, we really enjoyed our morning and realised that we all have unique gifts and talents which we should use to benefit others.

It was a real challenge for us thinking about how we can express each of the gifts in our daily life. How easy do you think it would be to always display self-control? We thought this would be really difficult - someone always wants the last piece of chocolate!

We have challenged ourselves for the next month to try to use at least one of the gifts of the Holy Spirit in our daily lives to benefit others. We'll let you know how we get on, maybe you'd like to try as well?

### Confirmation Camp

Confirmation Camp is the first weekend in June and Karen is starting to get very excited! There are quite a few of us already booked to be going and we are hoping that more of us will go and that we will be joined by some of the Confirmation Candidates from St. Helen's.

If anyone hasn't heard about this trip yet then please speak to Karen as soon as possible and she will be able to give you all the details you need. Some of our Teen Group may also be interested if you are in Year 6,7,8 or 9!

Next month, we are going to be looking at Discipleship and what it means to be a Disciple of Christ.
