Issue 58

June 2015

St. Michaels on Wyre Sunday School is where the Word of God is taught with affection so that children may seek Him and find Him in their own lives.

Welcome back!

All the children have been incredibly busy this month and we can't wait to share it with you. Check out the rest of this newsletter or visit Church to see our boards!!

We have a very exciting time ahead of us with a Pet Service on the horizon! Remember - virtual pets or photos are allowed!!

Check out St. Michaels on-Wyre Church Facebook page and website.

Fizzy Faith!

This month we thought very carefully about our faith and how we grow.

We began by thinking about how we all start out a little bit like water - We are calm, pure and stable.

We then explored what we are all like now. We decided that we are very much like Lemonade. We are

sparkly, exciting and different. We talked at great

lengths about what made us sparkly like Lemonade. We came up with loads of different ideas!!

Ultimately, we decided that our faith helped us to sparkle, be different and exciting.

God made us in his own image. He designed us to be good at certain things; to

shine in certain areas. He created us to help spread His word - which

we do through all of our actions.

We are kind, compassionate, patient and joyful - just as God intended us to be.

We shared Lemonade with each other and this helped us all think about how we could keep the Fizz in our Faith.

We can't wait to share it with the world!

Hannah.

Toddler Time

God's love makes us sparkle!

It doesn't have to be Christmas to get the glitter out! This month the toddlers explored what makes us 'us'. We all decided that we have

love, joy, peace and many other qualities and these are given to us by God - this is what makes us sparkle! And Sparkle we did - we made hearts with glitter on and even made ourselves sparkle with glitter in our hair! We even spread the

sparkle too! It was spread all the way to church from school and despite lots of cleaning the school still sparkled and hopefully more of the children sparkled on Monday when they went to school - we really did spread God's love this month!

Confirmation News

This month we again welcomed the confirmation candidates from St. Helens and had a joint session where we all looked at Discipleship. It was lovely to have all the candidates together again and we had lots of interesting discussions.

Being a disciple is something that we can all do and should embrace; we are all followers of something. Being a disciple isn't always an easy job though! Jesus' disciples in the Bible had to face all sorts of difficulties and in the early days of the Church even had to hide their faith from others. We are lucky that it is now much easier for us to express our faith and meet together with other people to share God's love and message.

Something that we all had to think about were ways in which we can share Jesus' message with other people today. We looked at how the Brazil football team wore t-shirts with 'Jesus loves me' and 'I belong to Jesus' on them when they won the World Cup. We also looked at other things like people volunteering to work in soup kitchens to feed the homeless and all the work that the Salvation Army does to help those in need. Jen has challenged us between now and our next session to see what different ways we can find to share God's message with other people.

Confirmation Camp

Confirmation Camp is now upon us and will be the very first weekend in June and Karen is starting to get very excited! She is even more excited now that she has persuaded Hannah to go with her as well! This year there looks set to be record numbers of people going to the camp so all helping hands will be needed. Karen has been preparing herself for the weekend and has bought a very bright waterproof coat - you hopefully won't lose her. Hannah has been stocking up on crisps and chocolate to take with her, she apparently won't be sharing!

There are candidates from both St. Michaels and St. Helen's going this year and we look forward to bringing you all the news about what went on. Hannah will also be updating the St. Michaels on Wyre Church Facebook page while away.
