Issue 61

November 2015

St. Michaels on Wyre Sunday School is where the Word of God is taught with affection so that children may seek Him and find Him in their own lives.

Welcome back!

It was a very busy month in Sunday School last month and it was lovely to see so many toddlers and children joining us to discover more about their faith.

We are always happy to welcome new members so if you have a friend you think would like to join us then please let them know about all the fun we have! Why not get them to look on our Facebook page to see what we do!

See you all next month when we will probably have the glitter out!

Jen

It was our first official confirmation meeting of the year this month and we got stuck right in. Jen had us thinking about how we become a part of the Christian family. Our parents and godparents helped us all to do this when we were a lot littler and were baptised. We all had pictures to share from our baptisms and had managed to find out what promises were made for us on that day. Some of us even had our baptism certificates and candles with us that we had managed to find!

Armour of God

It was a delight to see so many of you this month - we had new faces and old faces! We hope you had as much fun as the leaders had!

This year in Sunday School we're going to be doing things a little differently! Every month we are going to look at, learn about and explore a different part of the Armour of God. We will also be making a new part of our armour every month.

The second part of our armour was made this month; we made the Breastplate of Righteousness! This is an important part of our armour because it serves to protect our heart and soul against evil. The breastplate offers us Gods protection.

We thought carefully about all the things that God protects us from and discussed how these bounce off our Breastplate.

We looked at how we can behave in a righteous manner to make God proud of us.

Wearing the Belt of Truth will also mean that we are closer to Jesus and are protected by his love.

Don't worry if you missed out this month because next month we will have another piece of ar-

mour
to
learn

about and make. Come and join in the fun!

Confirmation

We talked about how it was important that even though we become a part of the family when we are younger that we make our own promises when we are older - this is what our confirmation is! We all feel we are now old enough to decide this for ourselves and are excited to find out more about our faith in the lead up to our confirmation.

Toddler Time

This month we looked at the second day of creation. We discovered that on this day God had been incredibly busy. He not only made the Sky but he also made the Sea!

So this month we made sure the Toddlers were just as busy! They are not only learning about the story of creation but the correct number sequence. I'm sure we all needed a lie down afterwards - or was that just the leaders?

The toddlers created a page in their own story book to remind them of the second day of creation. They used some collage materials to create a sea and a sky! We can't wait for when we are able to

add the animals - we just need to wait and discover what day God made them!

The Toddlers have also begun to practice and rehearse their song for the year. Personally, we can't wait to hear it!

It was a pleasure to see so many of you at Toddlers this month and we hope you join us again next month for Day 3.

It's a good job God worked in days and not months!!

See you all soon,
Hannah

Posada

We've been travelling for a long, long time,
We come from far away.
Another day is nearly over,
And we need a place to stay!

Please let us rest awhile with you,
We will soon be on our way.
We have to get to Bethlehem,
So will leave without delay.

Please help Mary and Joseph get to where they need to go by letting them stay in your house for the night. Please watch for the Posada travelling around and pray that it has a safe journey.

If anyone has any questions about the Posada then contact Karen Ball on 01995 679297.

If any of you have the Posada in your home this Advent then please feel free to share a picture on our Facebook page.
